**What is PBIS?**
One of the foremost advances in school-wide discipline is the emphasis on school-wide systems of support that include proactive strategies for defining, teaching, and supporting appropriate student behaviors to create positive school environments.

Attention is focused on creating and sustaining primary (school-wide), secondary (classroom), and tertiary (individual) systems of support that improve lifestyle results (personal, health, social, family, work, recreation) for all children and youth by making targeted behaviors less effective, efficient, and relevant, and desired behavior more functional.

**What is the Tiger PRIDE ticket system?**
Tiger PRIDE tickets are given for positive behavior and displaying the Tiger PRIDE expectations. Students can then turn in their tickets for monthly and weekly drawings where their name may be drawn to win a variety of prizes.

**District Goals for Student Improvement:**

1. Proficiency in reading will improve for all students, K-12.
2. All students, K-12, will be proficient in the use and application of technology.
3. All students, K-12, will experience a learning environment that is safe, drug-free, and conducive to learning.
